

Official Side Event of the Berlin Energy Transition Dialogue 2019

Guided tour: Mobility Solutions

Monday, 08 April 2019 | language: English | subject to change

All over the world, both urban and rural areas are tackling the great challenge of transforming their mobility infrastructure in a sustainable and cost efficient way. Join us and meet several Berlin-based entrepreneurs who are making it their job to fight pollution by applying innovative and sustainable solutions.

Please note: Due to safety reasons, some sites can only be visited with flat and sturdy shoes. Changeable weather conditions require weatherproof clothing. Packed lunches will be provided. Filming and photography are not allowed unless otherwise indicated at the site.
